

# Patient Referrals & Charges

## Admission

### Admission Eligibility

St. Luke's Hospital admits patients with the following profile:

1. Any patient who is 40 years or older can be admitted for medical care and rehabilitation.
2. Of any race and religion; and
3. Medically stable for physical rehabilitation or continuing care.
4. For patients suffering from stroke, hip fracture, amputations and general de-conditioning post surgical / medical conditions

*Active medical problems that require evaluation should be investigated and managed at acute hospitals. Hence, patients unsuitable for admission to St. Luke's Hospital are:*

1. *Medically unstable patients e.g. febrile patients, patients who require urgent investigations and treatment for unresolved problems like endoscopy, surgery, blood transfusion;*
2. *Unresolved social problems / discharge plan;*
3. *Patients with drains, traction, or require heavy spinal nursing care;*
4. *Patients who require assisted ventilation; and*
5. *Patients who require peritoneal dialysis.*

For enquiries, please call 6895 3289.

Cash Deposit (Refundable)		
Singapore citizens/PR (with Medisave and Medishield Life)	\$200	\$1,000

#### Notes:

- Prices quoted for the C wards include Government Grant and Hospital Subsidy and this price is only applicable to Singapore Citizens and Permanent Residents.
- Prior to your application for Government subsidy, your estimated hospital bill size will be an indicative range as stated in the table above. The actual charges will depend on your care needs and the status of your application for Government subsidy.
- The estimated average monthly bill size is based on a 30-day stay at the hospital. Charges include ward charges, treatment fees, therapy treatments and ancillary charges such as laboratory, specialized investigations, non-standard medicine and diapers but do not include charges for specialized treatments such as cell mattress, wound care, oxygen therapy and expenses that cannot be claimed from Medisave.
- The amount indicated above is an estimate based on past data. The final bill amount would depend on your condition and care needs and may differ significantly from the above estimates.
- Medisave for community hospital charges is capped at \$5,000 per calendar year or up to \$250 a day.
- The above rates are in Singapore Dollars and do not include GST. Please note that GST at the prevailing rate will be charged on all bills. However, with effect from 1 July 2012, the Government will absorb the full GST charged for healthcare services consumed by SUBSIDISED PATIENTS.

For enquiries, please call us at 6895 3289
